

Reception Newsletter

14th July 2017

Thanks for your support in attending the Summer Concert in church on Tuesday. Mr Lucas is hero worshipped by the children for his enthusiasm and love of music. Judging by the comments by parents after the service ended this does come across! Short videos can be found on Twitter.

The school end-of year disco went really well today. We have some fantastic dancers and singers in Reception as I'm sure you already know. Thankyou to the PTA for organising this.

The children enjoyed their French breakfast this morning which included croissants, brioche, fruit and fruit juice. Activities throughout the day included the children making Mardi Gras masks, singing French songs (including colour names) and counting in French. Thanks to Mr Harmes (the French subject leader), for organising the day.

The week ended with the last group from RR visiting New Brighton beach, many thanks for your patience with this. The minibus has been extremely busy recently being booked by other classes in school. The last group in RM will be having their turn on Wednesday morning.

We cannot believe how quickly the past year has gone. It seems like only yesterday the children were starting their Reception year in school. Many thanks for the Report comment slips which have been returned and for all the positive feedback. Both classes will be missed by their teachers next year but we can see the children are more than ready for their move to Year 1 in September.

Please return all reading and library books on Monday. There is a charge for any books not returned.

Best Wishes

Reception Staff
