

Reception Newsletter

7th July 2017

The children had the opportunity this week to visit their Year 1 classroom and meet their Year 1 teacher. Both teachers were very impressed with the children's behaviour and especially their listening skills whilst they were told about the routines in Year 1. Time has also been spent again in the Year 1 playground.

Mrs Riley's class went to Pizza Express on Tuesday and had the opportunity to try different pizza toppings and also make their own pizza. As expected the behaviour of the whole class was commented on by staff working there, a credit to the school.

All assessments have now been completed though we will continue to focus on the basics of reading, writing and number until we finish for the summer holidays. Some parents have asked about the curriculum in Year 1, we will send details home for you to have a look through and be aware of the expectations of the Key Stage 1 curriculum.

A reminder that on Tuesday at 2:00pm the Summer Festival takes place at St Anne's Church. All parents are welcome. Mr Lucas, the school's music specialist, has organised this event as a showcase for the singing which takes place in school during his weekly music lessons. Children from Reception to Year 2 will take part. If you are able to join us we will be leaving school at 1:30pm, any parents who are able to walk along with us this would be a big help.

We are aware we still have a group of children in each class who have yet to go to New Brighton Beach. We are aiming to go on Wednesday (RR) and Thursday (RM) but a letter will be sent out the day before confirming this.

Many thanks to all who sent maths games to school today to support Maths Day. The children played well together and were able to apply many of their basic maths skills.

Have a good weekend.

Best Wishes

Reception Staff
