

St Anne's Newsletter

September 2018

Dear Parents, Carers and Friends,

Welcome back to a new school year! We extend a warm welcome to all of the new families who have joined us this term. We hope that everyone has had an enjoyable summer break and children are ready for the exciting opportunities and challenges awaiting them in the year ahead.

School Value

Our value for this half term is **Honesty**.

“And you will know the truth and the truth will set you free.” John 8:32

School Building Works

Works continue to improve our building, making it a pleasant, healthy and safe environment for our whole learning community.

The following have been completed over the summer months:

- Windows have been replaced to the rear of the building.
- A new security system, including external and internal CCTV, has been installed.
- New cloakrooms have been provided in all classrooms.
- New carpets have been laid in the main corridors.

School PE Kit

We hope that the children enjoy wearing their new tracksuits (funded by school). They all look very smart and ready to take part in their exciting P.E. lessons. Ask you children about their regular 'wake up, shake up' activities each day.

Staff News

We welcome new staff to St Anne's this term: Mrs Parry, who joins us as a Year 6 teacher and two teaching assistants, Miss King and Miss Basson who will be working in Reception. We look forward to working with them and hope that they will be happy at St Anne's.

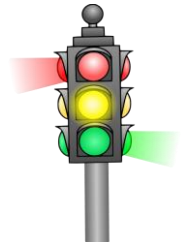

Sadly, we are saying goodbye to two members of staff, this month: Miss Mallows and Mrs Griffiths. Miss Mallows is off to university and we wish her the very best of luck.

Mrs Griffiths is retiring, after 18 years working with the children at St Anne's. We wish her a long, healthy and happy retirement.

Attendance and Punctuality

Attendance and punctuality are vital to your child's success at school. Their learning and wellbeing at school depend on regular attendance and a prompt start to the school day at 9.00 am each morning.

Mr Jago will hold a special attendance assembly each Monday to celebrate and reward the class with the best weekly attendance. The winning class is rewarded with a special treat such as extra play-time, a movie, popcorn. Please support us in helping to improve attendance to ensure our children reach their fullest potential.

Learning/Family Support Officer

Mr Jago continues to be available for support with attendance, learning and family issues. He can be contacted through the school office: 0151 228 1506

Swimming

Swimming will take place throughout the year at Wavertree Aquatic Centre.

Year 6 will go swimming this term. Class teachers will inform the children which day this will take place.

Parking Notice

We still continue to receive complaints about selfish parking around the school gates. Please DO NOT PARK on any yellow lines around the school. Our children's lives are at risk when they are unable to cross the road safely. Please report any vehicle registrations to the school office or the local police station.

Road Safety - Year 5

Many of our Year 5 children are enjoying taking part in the 'Bikeability' course which teaches the importance of road safety on the road. They will soon all receive a certificate recognising their achievements.

We very much appreciate your continued support and look forward to a wonderful school year full of great memories and lots of achievements.

Mrs. Simons
Headteacher
