

# Reception Newsletter

Dear Parents / Guardians,

Friday 22nd September 2017

We started off the week reading a story called "What I like about me!" The children were quite keen on discussing what made them special and they enjoyed talking about and comparing the similarities and differences between them and their friends. Leading on from this, we took full length photographs of everybody and placed them in our art area with mirrors and paper for portrait drawing. The children looked really closely at their photographs and used the mirrors on the tables to help add details to their amazing portraits. We think the children did a fantastic job and can't wait to display their finished pictures on our wall 😊

The children have also enjoyed an array of foods on our class snack table this week and are getting much more independent at preparing snacks for themselves. This week they have spread cheese on their own crackers, made jam sandwiches independently, cut up chocolate chip brioche rolls to share with their friends and sliced up a cheese and tomato pizza! We do rely on you weekly £1 contributions to fund this and we will continue to have our honesty box and class tick list by our door to the classroom.

Just a reminder that as of Monday, Reception children will be in school full time and that collection at the end of the day will be at 3.05pm 😊
