This week in Reception

A big well done to all the children for a fantastic Christmas performance last week. It was lovely to see so many nans, grandads, aunts and uncles as well as mums and dads. The children made us very proud. Thankyou also for the comments you left for the children to read on how much you had enjoyed their performance.

On Monday we visited Underwater Street for the day. The children's behaviour was outstanding as expected. As we left at the end of the day the manager commented on how much she looks forward to visits from our school as the children have beautiful manners and are so well behaved. We have put a selection of photographs on the website to show the activities that the children enjoyed.

Following the anti-bullying talk we had in the hall last week, this week we had a follow up session in the classroom discussing how to look after each other, ways to be kind to our friends and most importantly what to do if we are feeling upset in school.

Year 3 and 4 sang their Christmas songs to us in the hall in readiness for their performance at St.Anne's Church. The children sat really well even though it was at the end of the day and shows how far they have come since starting school.

The children are really enjoying the Christmas House in the outdoor area as well as the construction shed where they have been busy building Santa's sleigh. Their imagination shows no bounds we even had a rocket built which the sleigh would "zoom past" on his way to the children's houses. In the Christmas House the elves were worried as Santa was nowhere to be found so they sent out a search party. He was found sitting on the sleigh outside the construction shed trying the seat to check he fitted in okay. It was decided it needed to be made higher as Santa's legs were quite long!

On Thursday the children and staff enjoyed a Christmas Lunch, thanks to Cheryl the cook and the dinner ladies. On Friday the children looked very festive in their Christmas jumpers, another thankyou to the PTA for organising the Christmas Grotto and photographs of the children with Father Christmas.

Best Wishes

The Reception Staff
