4th March 2016

## This week in Reception

We had a visit from Mrs. Twist, our I.T expert, who supported the children with simple programming. She brought little robots with her the children had to move using simple instructions. We will follow this session with programming using the beebots and simple programming using the iPads.

All children enjoyed dressing up as their favourite story book character to celebrate World Book Day. Many thanks with your support with this. View Twitter and the school website for photographs. All children were given a £1 book token to spend. The author John Irving visited our school and read to all the children from Nursery through to Year 6, a special treat as part of the Book Day celebrations. A poet is coming next week. Something to look forward to.

Our visit to Pizza Express was very worthwhile. The children had the opportunity to taste various pizza toppings, watch the chefs at work and then make their own pizza. Behaviour as usual was outstanding, the manager said we are welcome back any time. Mrs Bennett's class will be visiting in April. The cost is £5 and a letter will be sent out shortly.

The PTA thank you for your support with the Mothers Day sale on Friday. The children were busy all week making their Mothers Day cards we hope you liked them.

If you haven't yet sent in a photograph of your family pet, please send them in this week. Many thanks.

Best Wishes  
The Reception Staff
