

Finger Gym Club

Dear Parents

Beginning next Wednesday I will be running a Finger Gym Club for Reception children. The session will begin straight after school and will finish at 3:45p.m. The sessions will involve activities which will strengthen the fingers to support children's writing development. If you would like your child to attend please complete the form below and return to school as soon as possible. The sessions will run for 4 weeks then different children will be selected, in this way it gives as many children as possible the chance to attend. The first group will be selected randomly. If your child has been selected I will inform you before next week otherwise it will be later in the term or even next term.

Many thanks
