

Reception Newsletter

10th February 2017

A busy week began with the addition of a spider web in the outdoor area. This added to the storytelling from previous weeks and also reinforced positional language and physical development.

On Tuesday Mrs Riley's class visited Tesco's. Next Tuesday it will be Mrs Melling's class' turn to visit. The children went on a fruit and vegetable hunt in the store and had the opportunity to make a super berry smoothie using strawberries, blueberries and yoghurt. Different types of cheese and fruit were also available for the children to try. Before we came back to school we experienced how cold it was in the fridge and freezer rooms and saw what foods had to be kept in there and why. A big thanks to Mrs Corrin and Sam (the staff in Tesco's), for arranging this day and making us feel really welcome. Usually it is the older children who go on the Tesco visits but this was developed specially for Reception age children. We were the first school in the area to trial this "Healthy Eating" session. The children as usual behaved impeccably both on the walk there and back to school as well as whilst in the store. See the school Twitter site for photographs.

On Thursday we had a special visitor which no doubt you have heard about. The children wrote letters inviting their favourite superhero to our school. Spiderman jumped at the chance to show us his superhero skills. The children were so excited, many thanks to Mrs Cosgrove for arranging this. As we are coming to the end of our topic on Superheroes we thought it would be a good way to finish.

Best Wishes

Reception Staff
