

# Reception Newsletter

**17th March 2017**

A big well done to Mrs Riley's class for a fantastic Family Assembly. We are all very proud of you. Thanks to the parents and grandparents for the wonderful comments you left for us to read. It was a pity the weather didn't match up to our focus on spring! Or maybe it did!

Our plants are growing really well. The sunflowers are nearly ready to be planted outdoors. Acorn Farm has been inundated by schools asking for chicken eggs to hatch. We will be getting ours on 25th April. We also have sent away for butterfly eggs which we will observe hatching into caterpillars then later into butterflies. Quite an exciting time coming up.

Many thanks to those who sent in tins of food for our farm shop. We will be having an official opening ceremony next week by someone the children will be voting for to invite. I wonder who it will be?

If you haven't already done so can children in Mrs Riley's class please bring to school a photograph of themselves as a baby or toddler. Miss Melling is asking for photographs of her children with their mums, nans, sisters or aunties. (These will be shown on a powerpoint as part of their Family Assembly on Friday 24th March at 9:15am.)

Have a lovely weekend.

Best Wishes

Reception Staff
