27th September 2017

Dear Parents,

Dragon's Den Computing Club - Year 6

Children in Year 6 have the opportunity to take part in an exciting computing project over the next school year.

Dragon's Den Computing Club is a weekly club which starts next **Wednesday 4th October, 3.15 pm until 4.15 pm and will run until the summer term 2018**. Children will be challenged to plan, design and make a product incorporating a micro-chip. Final products will be entered into a city-wide competition.

If your child is interested in this challenge and the exciting learning opportunities it will present, please sign the permission slip below and return it to your child's class teacher as soon as possible. It is important to remember that this is a long term project which requires total commitment to attendance and participation.

Thank you for your continued support,

Mrs J. Simons
Headteacher

Dragon's Den Computing Club 2017/18

Child's name.....

Class.....
