

Reception Newsletter

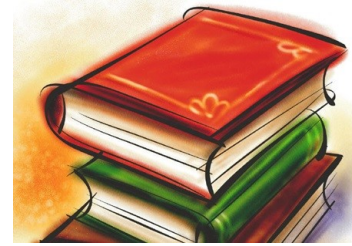

Dear Parents / Guardians,

Friday 22nd March 2019

Thanks for your support in not entering the green yard before we open our classroom door. With the new shelter in place our purpose now is to create set areas for playing and learning. We have had this in the past throughout the day but it has had to be packed up and stored under the then smaller shelter we had. The shutters will hopefully be in place in the next few weeks.

Our literacy focus this week has been story writing. Children have been encouraged to use language they hear in stories such as *Once upon a time*, *One sunny day* etc. We had a lovely story about a 'handsome Prince'. This prompted lots of independent writing and book making.

In numeracy we have been focusing on our 'teen numbers' and adding a one digit number to a teen number. We used a number line and our fingers to check we were getting the correct answer.

In music this week Mr Lucas introduced the word 'pitch' (how high or low a note is). As the children were singing and Mr Lucas was playing his instruments children would identify the different 'pitch' within the song. He also introduced a new song called 'Samba -Le Le' you may hear your child singing it at home, it is a very catchy song.

You are welcome to 'Stay and Play' on Thursday 22nd March 2:15pm-3:15pm in our classroom.

Enjoy the weekend
