

# Reception Newsletter

Dear Parents / Guardians,

Friday 29th March 2019

A big thank you to those made it to Stay and Play yesterday. We had a fantastic turn out and we could see the children really enjoyed having you in our class and completing activities with you. If you could write a comment on the comment sheet provided that would be appreciated.

Our writing focus this week linked with our Stay and Play. We have wrote shopping lists for foods we would like at our 'Teddy Bears Picnic'. We discussed how writing a list is not how we would write 'sentences' that each word goes onto a new line and we move down the page not across. We then discussed invitations and what is needed on invitation and went on to write our own.

This week we have been looking at money. We introduced the different pence and pound coins. We spoke about how the coins vary in shape, size and colour. We also spoke about the size of coins and how although a coin might be bigger than others it does not mean its value is more (or that we could buy more with it). We went on to adding different coin amounts and applying our number knowledge e.g. 5 add 5 is?, therefore 5p+5p is?

Check out our Twitter page to see Early Years in their Drumming Workshop that took place this week.
