

Our Nursery Newsletter

Dear Parents / Guardians,

Friday 29th March 2019

Our Big Book focus this week has been **Handa's Surprise** by Eileen Browne. It tells the story of Handa visiting her friend with a basketful of fruit but by the time she got there all the fruit had been taken without her knowledge by different animals. She started off with 7 but ended up with an empty basket, which gave the opportunity for some subtraction, (7 take away one leaves 6 and so on). The basket of fruit contained 7 different types some of which were unfamiliar to the children. Ask your child can they remember the fruit which were in the story. One was a guava! Many thanks to Mr Eley who managed to find some in a special supermarket which we were then able to try. It tasted a little bit like a pear or a strawberry. It had lots of seeds inside too. Before we tasted it we asked **Siri** on the iPad what a guava tasted like as none of the children or staff had tried one before. We found out it was definitely something we would buy if we saw them in the supermarket. Apparently it has 5 times more vitamin c in than an orange and they are good to eat if you have an upset stomach! By using search engines the children are covering part of the age related expectations in Technology.

Many thanks to all who were able to attend **Stay and Play** on Wednesday. The feedback comments shows us how worthwhile you find the event, with parents commenting even though they come in every day dropping off and picking up they don't really have the time to see the environment and activities that nursery offers in any detail. It also gave the opportunity to see how their child interacts with the friends they have made in Nursery and who they talk about at home. If you didn't have time to look through your child's Learning Journey Book whilst you were here, you are welcome any time.

There are only now a very small number of parents who are not accessing the weekly EasyPeasy home learning programme. The general feeling is that you are finding it worthwhile and it is helping your child in lots of different ways.

Wishing you a happy Mother's Day, we hope you like your card!

亲爱的家长/监护人，2019年3月29日星期五

本周我们的Big Book重点是Eileen Browne的Handa惊喜。它讲述了汉达用一篮子水果拜访她的朋友的故事，但当她到达那里时，所有的水果都是在她不知情的情况下被不同的动物带走的。她从7开始，但结果是空的篮子，这给了一些减法的机会，（7拿走一片叶子6，依此类推）。一篮子水果包含7种不同的类型，其中一些是儿童不熟悉的。问问你的孩子他们能否记住故事中的水果。一个是番石榴！非常感谢Eley先生在一家特殊的超市找到了一些我们当时能够尝试的东西。它尝起来有点像梨或草莓。它有很多种子。在我们品尝它之前，我们在iPad上询问了Siri番石榴的味道，因为没有一个孩子或工作人员曾尝试过。我们发现如果我们在超市看到它们肯定是我们会买的东西。显然它的维生素C含量比橙子高5倍，如果胃部不适，它们很好吃！通过使用搜索引擎，孩子们可以涵盖技术中与年龄相关的部分期望。

非常感谢周三能够参加Stay and Play的所有人。反馈意见向我们展示了你是如何找到这个活动的，有父母评论，即使他们每天都来到这里，他们没有时间去看看环境和托儿所提供的任何细节活动。它还让我们有机会了解他们的孩子如何与他们在幼儿园做的朋友以及他们在家里谈论的人交往。如果您在这里时没有时间查看孩子的学习之旅书，欢迎随时欢迎您。

现在只有极少数家长没有访问每周一次的EasyPeasy家庭学习计划。一般的感受是，你发现它是有价值的，并且它以许多不同的方式帮助你的孩子。

祝你母亲节快乐，我们希望你喜欢你的卡！
