

# Internet Rap

The internet is great  
We know how to use it,  
But one thing is for sure  
We shouldn't abuse it.

**Keep yourself safe – BE SMART!**  
**Keep yourself safe – BE SMART!**

The internet is great  
We use it every day,  
But if something doesn't feel right –  
Just say!

**Keep yourself safe – BE SMART!**  
**Keep yourself safe – BE SMART!**

The internet is great  
But you have got to be aware.  
If you are texting, emailing or playing games,  
You have got to take care.

**Keep yourself safe – BE SMART!**  
**Keep yourself safe – BE SMART!**
