

St Anne (Stanley) CE Primary School - Whole School Mathematics Curriculum Map

(Number includes: place value, addition, subtraction, multiplication and division, fractions, decimals, percentages, ratio and proportion and algebra)

Term/ Year Group:	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Reception	- Number and Shape					
Year 1	- Number and place value	- Addition and subtraction	- Multiplication and division - Fractions	- Measurement	- Geometry: - properties of shapes - position and direction	Target specific areas for further development identified as a result of end of summer 1 formal assessment process.
Year 2	- Number and place value - Addition and subtraction	- Multiplication and division - Fractions	- Measurement	- Geometry: - properties of shapes - position and direction	- Statistics	Target specific areas for further development identified as a result of end of summer 1 formal assessment process.
Year 3	- Number and place value - Addition and subtraction	- Multiplication and division - Fractions	- Measurement	- Geometry: - properties of shapes - position and direction	- Statistics	Target specific areas for further development identified as a result of end of summer 1 formal assessment process.
Year 4	- Number and place value - Addition and subtraction	- Multiplication and division - Fractions and decimals	- Measurement.	- Geometry: - properties of shapes - position and direction	- Statistics.	Target specific areas for further development identified as a result of end of summer 1 formal assessment process.
Year 5	- Number and place value - Addition and subtraction	- Multiplication and division - Fractions, decimals and percentages	- Measurement	- Geometry: - properties of shapes - position and direction	- Statistics	Target specific areas for further development identified as a result of end of summer 1 formal assessment process.
Year 6	- Number and place value - Addition and subtraction - Multiplication and division	- Fractions, decimals and percentages - Ratio and proportion - Algebra	- Measurement	- Geometry: - properties of shapes - position and direction	- Statistics	Target specific areas for further development identified as a result of end of summer 1 formal assessment process.
