Weekly Homework	<ul style="list-style-type: none">• A short piece of English homework will be set each week to be returned by the following Tuesday at the latest. House points will be awarded to those children who bring their homework on time.• Mathematics Homework will be provided each week to support activities carried out in the classroom. This may be in the form of worksheets, or it may require children to learn some mental facts.• Please continue to help your child to read every night (no more than 12 pages), encouraging the use of expression and asking questions about what has been read. Please continue to sign the reading diary. It is vital that your child has his/her reading book in school every day, as reading activities take place most days.		

Please do not hesitate to contact us if you have any concerns or queries.

Thank you for your support.
