

Reception Class Newsletter

Dear Parents / Guardians,

Friday 11 th October 2019

This week your child has brought home a piece of homework. Homework usually reflects work that we have been covering in the week. Homework should be completed over the weekend and brought back to school on Monday (Wednesday at the latest). This gives us time to mark your child's work and sort out homework for the following weekend. Please work with your child to complete their work (it doesn't matter what their finished work looks like as long as they have had a go and attempted the work/writing themselves - the emphasis is on 'having a go' and at 'doing our best').

Thank you for your support with reading your child's library books - the children have enjoyed bringing their books back to change and have been chatting lots to their friends about the stories that you have been sharing together at home. Please try to ensure that your child brings their maroon book bag to school every day (library books can be left at home if they have not been read yet). This enables us to put letters, bump notes and any pictures your child has made inside and helps to ensure that nothing is misplaced or lost on the way out of class and school.

The children are enjoying our daily phonic lesson and are getting much better and blending their sounds together to read words. As the children become more confident with their letter recognition, sound blending and by learning the weekly words that we send home we will be able to send out reading books. We are so proud with how well the children have done this week at learning to read their words at home - a big well done Reception, keep up all of you hard work 😊

A reminder about snack money too. Snack is £1 per week (this can be paid a couple of weeks at a time or week by week - which ever suits you best). We keep an honesty box by the door and a class list for you tick of your child's name to signal that you have paid. As you can applicate, without your
