

Reception Class Newsletter

Dear Parents / Guardians,

Friday 22nd November 2019

Chester Zoo is still being spoken about by the children, we thought we would link this to our weekly writing. Children wrote about the bus journey there, what animals they got to see and what their favourite animal was. Each week we are seeing an improvement in all children's writing. We are very proud!

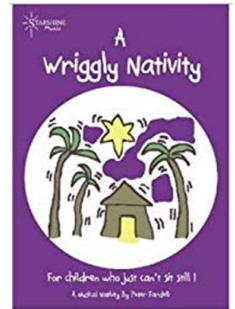

In Maths this week we have introduced measure. We have been applying the vocabulary 'big, bigger, biggest', 'small, (er), (est)', 'tall (er), (est)' 'short (er), (est)', when comparing and ordering objects. We drew around our hands on squared paper and used the squares to measure how long our hands are and compared them to our friends.

'A Wiggly Nativity' songs are coming along, We are sure they are being sung at home too. We have been informed that the songs are on

YouTube if you would like to listen at home.

This week we watched a presentation on Road Safety. It told us how to keep safe when crossing the roads and how to keep safe when we are by the road side.

Diary Dates

Friday 6th December –Reception Nativity 2 p.m.

Thursday 12th December—School closed all day for Polling Day

Friday 13th December—Christmas Jumper Day & Christmas Lunch

Friday 20th December—School finishes 2 p.m.

Enjoy the weekend.
