

# Reception Class Newsletter

Dear Parents / Guardians,

Friday 4th October 2019

We have had a very busy week in Reception, exploring colours and words.

We have been reading lots of books that contain alliteration and rhyming words, such as Clara the Caterpillar and Ninja Nan. The children blew our socks off with how well they could continue a rhyming string.

The children explored what would happen if they mixed two of the primary colours together (red, blue and , yellow). They painted hot air balloon to show what colour they have made. These will be displayed and you will get to see them on parents evening.

This week we introduced the word 'one more' in our number activities. We used a number line to help us find the number one more than a given number.

You may of heard you child talking about Mrs Scott. Mrs Scott comes into our class every Wednesday afternoon. This week Mrs Scott told a story about a little girl who was feeling unwell. They then had a class discussion about people who may help us when we are unwell and about our feelings.

Thank you for your support with reading your child's library books. Lot's of library books are coming back daily to be changed and the children enjoying changing their books. Can you please make sure the library card is sent in with the book .

Enjoy the weekend
