

Reception Class Newsletter

Dear Parents / Guardians,

Friday 8th November 2019

Wow! What lovely 'Autumn Treasures' you found over the half term 😊 The children have really enjoyed sharing their treasure hunt stories and looking at what everyone has found. Over the next coming weeks we will be using the treasures for various activities in both the indoor and outdoor areas.

We are all very excited for our trip to Chester Zoo on Tuesday (**12th November**). Please send your child into school wearing their **school uniform** with a warm coat and sensible footwear (wellies and waterproof jackets will be needed if the weather is wet as we will be spending the day outdoors). Packed lunches will be provided for all children but, if you wish to send your child in with their own packed lunch please send it in in a disposable bag. Please do not send in fizzy drinks. We will be!

We are so proud of how well all children are doing with their reading and can see how they are applying their phonic knowledge and recognising weekly words. Thank you for writing a comment in their 'Reading Record Book'. Comments are important as it signals to us that your child has read at home and also lets us know that your child is ready for their next book.

Enjoy the weekend
