

Printing

Printing is using objects or shapes to transfer paint and create patterns.

Shape

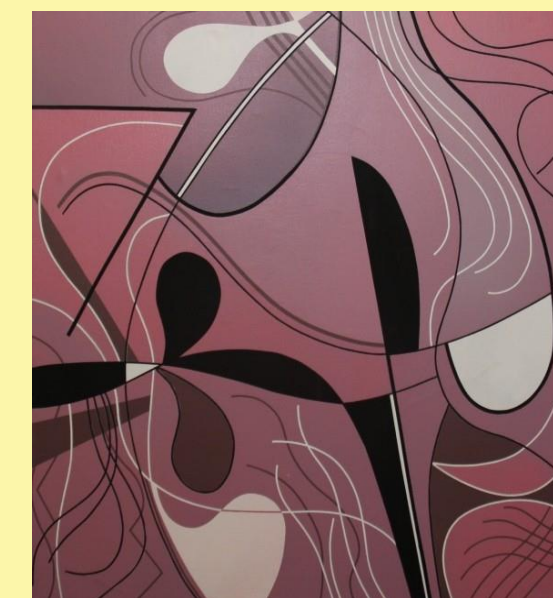

Shapes can have round or straight edges and when overlapped can create interesting designs.

Inspiration

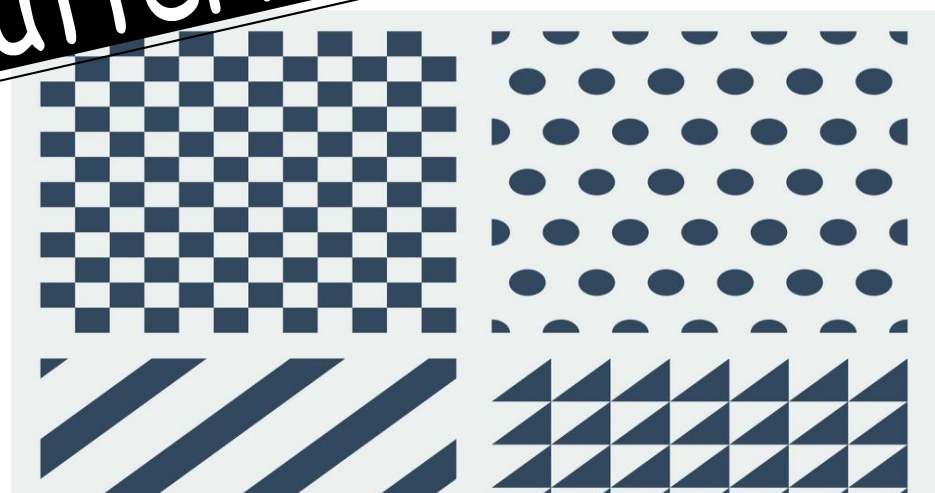

'Squares with concentric circles' (1913) by Wassily Kandinsky

'Red Mardi Gras' (1990s) by Renata Bernal

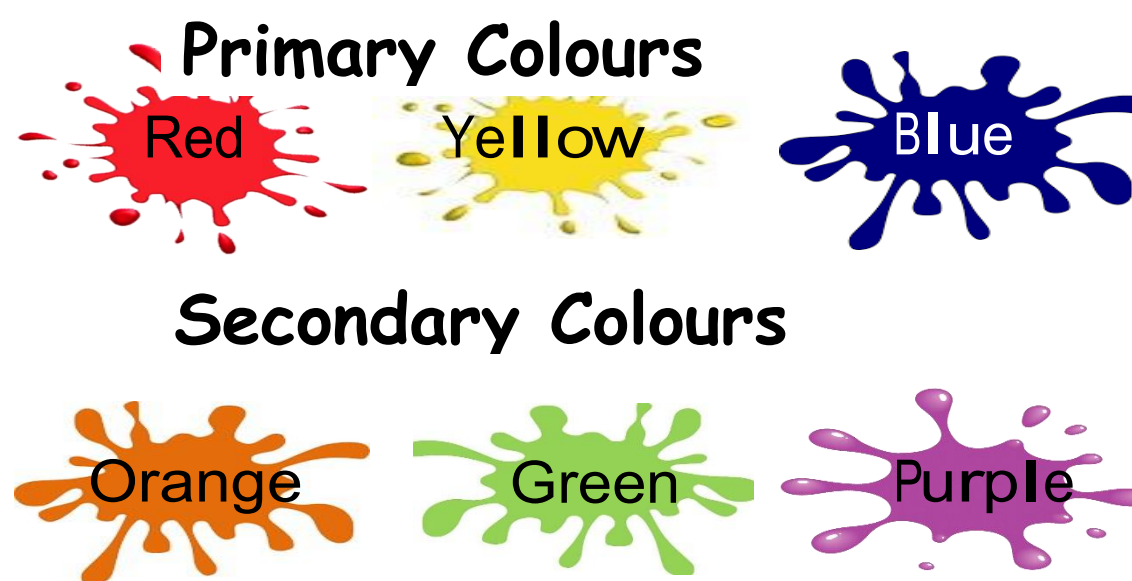

Pattern

A pattern can be lines or shapes that are repeated in a sequence. They are uniform in size and colour.

Colour

Primary colours can be mixed to create secondary colours.
