

Weaving

Weaving is the action of forming fabric by interlacing threads. We can weave using strips of paper.

Pattern

A **repeating pattern** is a repeated design or recurring sequence which creates a pattern.

Texture

We can take **rubbings** from surfaces to re-create the texture of those surfaces.

Frottage is the technique of using rubbings as the basis of a work of art.

Clay

We can experiment with **textures** and create **patterns** using the medium of clay.
