

# Reception Class Newsletter

Dear Parents / Guardians,

Friday 12th March 2021

Welcome back! It has been a lovely week having us all back together in our class bubble. We are so proud of how well all of the children have settled back into school and the routines. We have had a busy first week back.

Mr Gillespie from Bikeability UK was in school on Monday morning and was very impressed with the children's confidence and determination on the balance bikes. Mr Gillespie is going to be in each Monday morning for most of this half term.

Then we had World Book Day- round 2 on Thursday, and wow what a turn out. everyone looked fantastic!

We finished the week off with 'Fred Friday' promoting phonics through lots of games and activities. We even had green crispy cakes made by the kitchen staff.

Have you been told about our science experiments in school as part of British Science Week? We have made floating rainbows and sugar absorption.

An all-round busy and enjoyable first week back.

Don't forget Monday is 'Wear blue for Bobby day'.

Have a nice weekend

Reception Staff
