## St Anne Stanley C of E Primary School

### ANTI-BULLYING POLICY

#### Introduction

At St Anne Stanley C of E Primary School, we recognise that the personal development of pupils, spiritually, morally, socially and culturally plays a significant role in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of different cultures.

Staff, parents and children at St Anne's work together to create a happy, caring and safe learning environment. We have a zero tolerance policy with regard to bullying i.e. bullying, whether verbal, physical or indirect, is not tolerated. It is everyone's responsibility to prevent occurrences of bullying and to deal with any incidents quickly and effectively.

Bullying may be brought to the attention of any member of staff by the victim, their parents/family or any other concerned person.

## School ethos

- St Anne's school community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying our school can further create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.
- **Our school community:**
  - Monitors and reviews our anti-bullying policy and practice on a regular basis.
  - Supports staff to promote positive relationships to help prevent bullying.
  - Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
  - Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
  - Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
  - Requires all members of the community to work with the school to uphold the anti-bullying policy.

- Recognises the potential impact of bullying on the wider family of those affected and will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

## **Responding to bullying**

- The following steps may be taken when dealing with all incidents of bullying reported to the school:
  - If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
  - All incidents of bullying reported to the school will be recorded on CPOMs and shared with the headteacher, Designated Safeguarding Lead (DSL) and other relevant members of staff e.g. class teachers of all pupils involved in a reported incident.
  - The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
  - The deputy headteacher/headteacher/DSL or another member of the senior leadership team will interview all parties involved.
  - The DSL will be informed of all bullying issues where there are safeguarding concerns.
  - The school will speak with and inform, via CPOMs, other staff members, where appropriate.
  - The school will ensure parents/carers are kept informed about the concern and any action taken, as appropriate and in line with child protection and confidentiality policies.
  - Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
  - If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children’s social care, if a child is felt to be at risk of significant harm.
  - Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school’s behaviour policy.
  - A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and actions taken.

## Cyberbullying

- When responding to cyberbullying concerns, the school will:
  - Act as soon as an incident has been reported or identified.
  - Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
  - Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
  - Take all available steps where possible to identify the person responsible. This may include:
    - looking at the use of school systems;
    - identifying and interviewing possible witnesses;
    - Contacting service providers and the police, if necessary.
  - Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
    - Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
    - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law (*We will access the DfE '[Searching, screening and confiscation at school](#)' and [Childnet cyberbullying guidance](#) to ensure that the schools powers are used proportionately and lawfully*)
    - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
  - Ensure that sanctions are applied to the person responsible for the cyberbullying: the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
  - Inform the police if a criminal offence has been committed.
  - Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
    - advising those targeted not to retaliate or reply;
    - providing advice on blocking or removing people from contact lists;
    - helping those involved to think carefully about what private information they may have in the public domain.

## Supporting pupils

- Pupils who have been bullied will be supported by:
  - Reassuring the pupil and providing continuous pastoral support.
  - Offering an immediate opportunity to discuss the experience with their teacher, the designated safeguarding lead, or a member of staff of their choice.
  - Being advised to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience as appropriate.
  - Working towards restoring self-esteem and confidence.

- Providing ongoing support; this may include: working and speaking with staff, offering formal counselling, engaging with parents and carers.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or Specialist Children's Services, or support through Child and Adolescent Mental Health Services (CAMHS).

Pupils who have perpetrated bullying will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to the relevant service provider.
- Sanctioning, in line with school behaviour policy; this may include official warnings, detentions, removal of privileges (including online access when encountering cyberbullying concerns), and fixed-term or permanent exclusions.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Specialist Children's Services, or Child and Adolescent Mental Health Services (CAMHS)

### **Supporting adults**

- Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.
- Adults who have been bullied or affected will be supported by:
  - Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a member of senior leadership team and/or the headteacher.
  - Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
  - Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the relevant school policies i.e. the Code of Conduct for Adults.
  - Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
  - Reassuring and offering appropriate support.
  - Working with the wider community and local/national organisations to provide further or specialist advice and guidance.
- Adults who have perpetrated the bullying will be helped by:
  - Discussing what happened with a member of the senior leadership team and/or the headteacher to establish the concern.
  - Establishing whether a legitimate grievance or concern has been raised and signposting to the school's official complaints procedures.

- If online, requesting that content be removed.
- Instigating disciplinary, civil or legal action as appropriate or required.

*Specific guidance is available for leaders regarding dealing with complaints made on social networking sites: [www.kelsi.org.uk/child-protection-and-safeguarding/e-safety](http://www.kelsi.org.uk/child-protection-and-safeguarding/e-safety)*

## **Preventing bullying**

### **Environment**

- The whole school community will:
  - Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
  - Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
  - Recognise the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.
  - Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
  - Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others.
  - Be encouraged to use technology, especially mobile phones and social media, positively and responsibly.
  - Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
  - Actively create "safe spaces" for vulnerable children and young people.
  - Celebrate success and achievements to promote and build a positive school ethos.

### **Policy and Support**

- The whole school community will:
  - Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
  - Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
  - Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the schools' attention, which involves or effects pupils, even when they are not on school premises; for example, when using school transport or online, etc.

- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

## **Education and Training**

- The school community will:
  - Train all staff, including: teaching staff, support staff e.g. teaching assistants, lunchtime support staff and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.
  - Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school council, etc.
  - Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.
  - Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week
  - Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.

## **Involvement of pupils**

- We will:
  - Involve pupils in policy writing and decision making, to ensure that they understand the school's approach and are clear about the part they play in preventing bullying.
  - Regularly canvas children and young people's views on the extent and nature of bullying.
  - Ensure that all pupils know how to express worries and anxieties about bullying.
  - Ensure that all pupils are aware of the range of sanctions which may be applied against those engaging in bullying.
  - Involve pupils in anti-bullying campaigns in schools and embedded messages in the wider school curriculum.
  - Utilise pupil voice in providing pupil- led education and support
  - Publicise the details of internal support, as well as external helplines and websites.
  - Offer support to pupils who have been bullied and to those who are bullying to address the problems they have.

## **Involvement and liaison with parents and carers**

- We will:
  - Take steps to involve parents and carers to ensure they are aware that our school does not tolerate any form of bullying.
  - Make sure that key information about bullying (including policies and named points of contact) is available to parents/carers in a variety of formats, including via the school website
  - Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
  - Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
  - Ensure that parents work with the school to role model positive behaviour for pupils, both online and offline.
  - Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

## **Monitoring and review: putting policy into practice**

- The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
- All incidents of bullying will be recorded on CPOMs and shared with the headteacher, DSL and other relevant members of staff.
- The headteacher will report on a regular basis to the governing body on incidents of bullying, including outcomes.
