

Good Attendance means.....

Being in school at least 97% of the time – which means not having more than 5 days off school a year!

365 days in a calendar year

190 school days in each year

175 days when you are **NOT** in school! All this time for holidays, appointments and shopping!

Best chance of success

Below school and national target

Poor attendance – Serious

Less chance of success

impact on education

Thinking of taking a holiday during school time?

Can your child keep up with other pupils if they miss one week from school?

Please consider this . . . while you are away on holiday for one week
Your child will miss;

- Five hours of literacy - writing, reading
- Five hours of mathematics
- Eleven hours learning - a combination of Science, RE, Music, Art, French, P.H.S.E., Physical Education, Geography, History, Design Technology and Computing,

If your child has a two-week holiday and some sickness during the year, they will miss at least forty lessons and a lot more too.

Can your child's education really afford this holiday?
