## EQUALITY POLICY AND OBJECTIVES

### Introduction

Our school is inclusive; we focus on the well-being and progress of every child and we are committed to ensuring all members of our community are of equal worth.

We believe that the Equality Act (2010) provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

Our approach to equality is based on 7 key principles

1. All learners are of equal value. Whether or not they are disabled, whatever their ethnicity, culture, economic background, national origin or national status, whatever their gender and gender identity, whatever their religious or non-religious affiliation or faith background and whatever their sexual orientation.
2. We recognise, respect and value difference and understand that diversity is a strength. We take account of differences and strive to remove barriers and disadvantages which people may face, in relation to background, disability, ethnicity, gender, religion, belief or faith and sexual orientation. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.
3. We foster positive attitudes and relationships. We actively promote positive attitudes and mutual respect between groups and communities different from each other.
4. We foster a shared sense of cohesion and belonging. We want all members of our school community to feel a sense of belonging within the school and wider community and to feel that they are respected and able to participate fully in school life.
5. We observe good equality practice for our staff. We ensure that policies and procedures benefit all employees and potential employees in all aspects of their work, including in recruitment and promotion, and in continuing professional development.
6. We have the highest expectations of all of our children. We expect that all pupils can make good progress and achieve to their highest potential.

7. We work to raise standards for all pupils, but especially for the most vulnerable. We believe that improving the quality of education for the most vulnerable groups of pupils raises standards across the whole school.

#### **St Anne Stanley C of E Primary School Equality Objectives 2021**

1. To regularly monitor and analyse pupil achievement and progress by race, gender, economic background (PPG) and disability and act on patterns in the data that require additional support for pupils
2. Focus on those arriving in school as low attaining, particularly with speech and language needs
3. Build a curriculum which reflects modern Britain and all of its diversity

### **Purpose of the policy**

The Equality Act 2010 was introduced to ensure protection from discrimination, harassment and victimisation on the grounds of specific characteristics (referred to as protected characteristics). This means that schools cannot discriminate against pupils or treat them less favourably because of their sex (gender), race, disability, religion or belief, gender reassignment, sexual orientation or pregnancy or maternity.

Age and marriage and civil partnership are also “protected characteristics” but are not part of the school provisions related to pupils.

The Act requires all public organisations, including schools to comply with the Public Sector Equality Duty and two specific duties.

The Public Sector Equality Duty or “general duty”

This requires all public organisations, including schools to

- Eliminate unlawful discrimination, harassment and victimisation
- Advance equality of opportunity between different groups
- Foster good relations between different groups

Two “specific duties”

This requires all public organisations, including schools to

1. Publish information to show compliance with the Equality Duty by April 6th 2012
2. Publish Equality objectives at least every 4 years which are specific and measurable by April 6th 2012

This policy describes how the school is meeting these statutory duties and is in line with national guidance. It includes information about how the school is complying with the Public Sector Equality Duty and also provides guidance to staff and outside visitors about our approach to promoting equality.

## **What we do to eliminate discrimination, harassment and victimisation**

- We take account of equality issues in relation to admissions and exclusions; the way we provide education for our pupils and the way we provide access for pupils to use facilities and services.
- We are aware of the Reasonable Adjustment duty for disabled pupils – designed to enhance access and participation to the level of non-disabled pupils and stop disabled children being placed at a disadvantage compared to their non-disabled peers.
- The Headteacher ensures that all appointment panels give due regard to this policy so that no one is discriminated against when it comes to employment, promotion or training opportunities.
- We actively promote equality and diversity through the curriculum and by creating an environment which champions respect for all.
- Our admissions arrangements are fair and transparent, and we do not discriminate against pupils by treating them less favourably on the grounds of their sex, race, disability, religion or belief, sexual orientation, gender reassignment, pregnancy or maternity.

## **Behaviour, Exclusions and Attendance**

St Anne's policies on Behaviour, Anti-Bullying and Attendance take full account of the new duties under the Equality Act. We make reasonable, appropriate and flexible adjustment for pupils with a disability. We closely monitor data on exclusions and absence from school for evidence of over-representation of different groups and take action promptly to address concerns.

## **Addressing prejudice and prejudice-based bullying**

The school challenges all forms of prejudice and prejudice-based bullying, which stand in the way of fulfilling our commitment to inclusion and equality: - prejudices around disability and special educational needs - prejudices around race, religion or beliefs - prejudices around gender and sexual orientation.

Staff are made aware of how prejudice-related incidents should be identified, assessed, recorded and dealt with. We treat all bullying incidents equally seriously.

## **What we do to promote equality of opportunity between different groups**

- We know the needs of our school population very well and collect and analyse data in order to inform our planning and identify targets to achieve improvements. We take action to close any gaps, for example, for those making slow progress in acquiring age-appropriate literacy and numeracy skills. We also ensure children from all groups are challenged to fulfil their potential.
- We have procedures, working in partnership with parents and carers, to identify children who have a disability through our pupil admissions meetings and home visits prior to entry into EYFS.
- We collect, analyse and use data in relation to attendance and exclusions of different groups.
- We use a range of teaching strategies that ensures we meet the needs of all pupils.
- We are alert and proactive about the potentially damaging impact of negative language in matters such as race, gender, disability and sexuality.
- We ensure equality of access for all pupils to a broad and balanced curriculum, removing barriers to participation where necessary.
- Our school has accessibility plans that are renewed every 3 years and/or when a significant change has taken place.
- We will take positive and proportionate action to address the disadvantage faced by particular groups of pupils with particular protected characteristics, such as targeted support. The actions will be designed to meet the school's Equality Objectives.

## **Monitoring**

- Our attainment records, including attainment and progress of vulnerable groups are monitored by class teachers, subject leaders, senior leaders and governors.
- Attendance data is scrutinised by the senior leadership team and governors with specific regard for vulnerable groups
- Data regarding exclusions and behaviour is scrutinised by the senior leadership team and governors.

In order to ensure that the work we are doing on equalities meets the needs of the whole school community we;

- Review relevant feedback from parent questionnaires and parents' evening,
- Secure and analyse responses from staff surveys, staff meetings and training events
- Review feedback and responses from the children and groups of children from the School Council and Pupil Voice
- Ensure that we secure responses and feedback to the Governing Body.

## **Reviewing this policy**

We review the information about equalities in the policy every four years and make

adjustments as appropriate. Further amendments may occur with changes in legislation or as the need arises.

## **Roles and Responsibilities**

### The Governing Body

The school's governing body ensures that this policy and its related procedures and objectives are implemented. Equalities objectives are set every four years by the school.
