

Reception Class Newsletter

Dear Parents / Carers,

Friday 24th September 2021

This week in Reception we have been creating self portraits to be displayed in our classrooms. This prompts discussions about eye colour, hair length and even why some of us wear glasses and some of us don't?!

Tuesday mornings have always been a popular morning of the week in Reception and this year looks to be no different. This is when Mr Lucas visits us for our music lesson and Miss Quinn for our P.E lesson. Both teachers have been blown away at how quickly the children are settling in to our routines and have commented on how well they join in during their lessons.

The children have also settled into our lunchtime routine. We know going into the hall can be a little daunting at first, but we have had plenty of support from the lunchtime supervisors. We want to promote children's independence as much as possible, therefore we will no longer be sending home the following weeks menu on a Friday. Children will be able to select the meal they would like at serving hatch before sitting down to eat. If you would like to view our menu and discuss the different meal options with your child a menu can be found on our school website.

Monday	Tuesday	Wednesday	Thursday	Friday

School bags that we have sent out are to come into school each day with your child. This makes it easier for anything they need to take home not to be left behind at the end of the day. Library books do not have to be read in one evening. Return the library book when your child has finished with it and they can pick a new one to take home. If you have yet to complete any of the forms in your child's welcome back, please do so and return to school as soon as possible. We take photographs daily and want to share these with you via Evidence Me (2Simple), on our school website and Twitter page but are unable to do so without receiving the permission form.

Enjoy the weekend.
Reception Staff
