

Reception Newsletter

Dear Parents/Carers

Friday 25th March 2022

I think you will all agree that our Family Assembly was amazing. Both classes made their teachers so proud as we are sure they did you. Children were rewarded with a delicious lolly-ice that they enjoyed in the sunshine. We will be sending out the recording of the assembly soon. If you have changed your email address or have not been receiving emails from the main school email, please provide a new, updated email to a member of the Reception team and we will update it on our system.

You may be aware that school have been taking donations to support Asylum Link Merseyside. This week we had a visitor come to school who is a volunteer at Asylum Link Merseyside. His name was Ian, Ian delivered an assembly which explained how Asylum Link work closely with asylum seekers to help support them when they arrive in the country. He then went into each class and delivered workshops to further explain the work they do. Ian told a story of a boy called Omran, he was a 6 year old boy refugee who walked 1000 miles with a backpack full of his belongings. Ian asked the children to think about what they would pack. He reminded the children to think about the weight of their backpack and what items they would really need. This again was another very proud moment for Reception staff, children listened very carefully, giving sensible answers and suggestions.

Have you heard about Sonic and Sandy, the new additions to Receptions? These are our new Giant African Earth Snails. They will be based in Reception M classroom however all children will be involved in caring for them. This is a great learning opportunity for children and links in well with our curriculum— caring for living things. Sonic and Sandy will regularly appear on our school Twitter page.

Can you please make sure your child brings their school bag into school each day. Children go home with lots of bits and bobs at home time including important letters and reading books. Reading books should be returned by Wednesday for staff to change and send home again on Friday.

Have a lovely weekend
