

Nursery Newsletter

25/05/2022

Dear Parents

The links below show you how phonics is taught in our school. This is for the children who will be leaving Nursery in July and who will be moving to Reception in September as they will be 4 years old by 31st August. Blending letter sounds together is something that children do find difficult and also please bear in mind that some children are not yet ready for the hand writing side of phonics and this will develop further next year, especially for those younger children who turn 4 in the summer term. The videos are mainly for your information. If you do have any questions please come and speak to me.
