

Reception Class Newsletter

Dear Parents and Guardians,

Friday 23rd September 2022

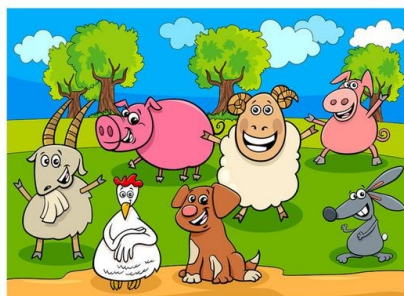

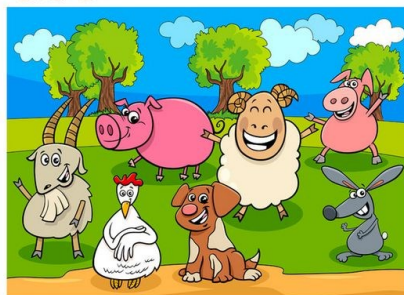

We have been amazed at how well the children have settled into our lunchtime routine. The children have been paid so many compliments as to their behaviour and manners in the dinner hall. You should all be very proud.

We have been enjoying our PE lessons with our PE teacher, Miss Quinn. We especially love playing parachute games. Mr Lucas, our music teacher, has been singing our praises as we are getting more and more confident with our voices!

In Literacy, we have continued to explore our anchor text for this half term, 'The Gingerbread Man'. We have been making and decorating gingerbread people in our playdough and paint areas. We have been using our subitising and counting skills to describe our creations. We have also been using our observational skills to compare the ways in which we have decorated our gingerbread people. This has supported our maths focus on 'matching' for this week. We have been having lots of fun finding and matching objects which are the same. You can support your child's learning at home through asking questions such as 'Can you find one like mine?', 'How do you know it's the same?', 'Can you find one that is different to mine?' 'Why do you think it is not like mine?' Why not use some of these questions in this week's challenge?
