

It has been an incredibly busy half term with so much to be proud of and celebrate as this newsletter goes on to show! Lots of fantastic learning has taken place both for pupils and staff. As always, a huge 'thank you' to the entire school community for your continued support!

A huge thank you to everyone who attended our parent-teacher meetings last week. I'm sure that you will agree that the children have settled extremely well into their new year groups and they have made a fantastic start to the academic year. As you are already aware, parent-teacher meetings are a key component in school education because not only do parents get an opportunity to connect with their child's class teachers to discuss academic progress but hopefully they also get an insight into strategies to support their child's learning at home too.

Please remember, if your child is starting Reception or Year 7 in September 2024 you must apply online for a place at your preferred school. **The closing date for Year 7 2024 applications is Tuesday 31st October 2023** whilst the closing date for **Reception 2024 applications is Monday 15th January 2024**. If you need help with your application please speak to your child's class teacher or alternatively someone at our school office. Applications must be submitted before the deadline for you to be in with a chance of being considered for your preferred school. Applications can be made through the following website:

<https://liverpool.gov.uk/schools-and-learning/school-admissions/how-to-apply/>

WINTER COAT GIVEAWAY

After last year's successful event, our Year 4 teacher, Mrs Bennett is hoping to organise another winter coat giveaway. If anyone has any pre-loved coats that they would like to donate, please pass them to either the school office or your child's class teacher. This is a family event so donations for both children and adults will be gratefully received. The event will hopefully take place in the school hall next half term. More details with an exact time and date will follow shortly.

Year 4

Our Year 4 pupils welcomed their families into school this week for their family service in our school hall. Year 4 talked passionately about this term's school value of 'Honesty' - such confident speakers and wonderful singing whilst conveying such an important message! A massive 'well done' to everyone involved 😊

A massive thank you for supporting us with our latest 'Rags 2 Riches' fundraising event. Your kind donations of reusable clothing raised an impressive £88.36. All money raised will go towards Christmas events for our pupils in school next term. Our next collection is planned for the Spring Term on Monday 18th March 2024 so please save any reusable clothing for then and help us to raise even more funds for our pupils 😊

BEST MATHS RESOURCES

Our maths coordinator, Miss Nurse would like to remind all our pupils and families that our maths platforms (Doodle Maths, TTRockstars and IDL Numeracy) are all up and running and that children can access these platforms at home. The platforms are fun and engaging and just a few minutes each day can help children's confidence in maths grow so that they enjoy their class-based lessons even more! If you misplaced your child's login details, or if you are having difficulty logging in, please speak to your child's class teacher who will be happy to help 😊

Lest we forget

In preparation for Remembrance Day on the 11th November, we are currently selling poppies. If you would like to purchase a poppy or related Remembrance Day merchandise please send your child into school with a donation. The Royal British Legion have printed a suggested donation for their merchandise and donations are suggested as follows: zip pull - 50p, reflector - 50p, silicon wristband - £1 and snap band - £1.50.

Zip pull - **Suggested** Donation: 50p

Reflector - **Suggested** Donation: 50p

Silicon wristband - **Suggested** Donation: £1.00

Snap band - **Suggested** Donation: £1.50

Show Racism the Red Card

Thank you for your support in showing Racism the Red Card last week - it was wonderful to see everyone showing solidarity and wearing red at the end of the month. Show Racism the Red Card is the UK's leading anti-racism educational charity. The charity works in educating children, young people and adults through the production of educational resources that challenge misconceptions, stereotypes and negative attitudes in society.

SPOOKY DISCO

A big thank you to Ceri and her wonderful team for planning a fabulous week of discos and parties for our children at after school club this week. The children enjoyed an array of fun including delicious party food, spine-tingling games, spook-tacular crafts and lots and lots of dancing! We're sure that you will agree, the children looked amazing in their costumes too - thank you once again for your support ☺

Year 1 children have been having a lot of fun in their science lessons this half term! They have been learning all about animals (including humans). The children's favourite lesson to date saw them all becoming investigators and using their knowledge of herbivores, carnivores and omnivores to identify which 'poo' samples belonged to which animals!

IMPORTANT

dates to remember

30th October - 3rd November - Half Term

6th November - Back to school
- Anti-Bullying week
