

# Adventurous Vocabulary

We are broadening our vocabulary by learning 3 new words every week.

Your child does not need to be able to read or write these words. Instead, your child will be learning to use these words in conversation.

# 3 Words of the Week

**Direction:** A direction is the line or course along which something moves, lies, or points.

*We started walking in the same direction to get to school.*

**Dozen:** A dozen is a group of twelve.

*We bought a dozen eggs to make a large cake.*

**Evening:** Evening is the time at the end of the day, usually from about 6pm until bedtime.

*In the evening, we have our tea before we get ready for bed.*
