

# Adventurous Vocabulary

We are broadening our vocabulary by learning 3 new words every week.

Your child does not need to be able to read or write these words. Instead, your child will be learning to use these words in conversation.

# 3 Words of the Week

**Factory:** A factory is a place where products are made.

*Oreo cookies are made in a biscuit factory.*

**Fresh:** If something is fresh, it is recently harvested, recently produced or newly made.

*The vegetables were picked fresh from the garden.*

**Gravity:** Gravity is the force that makes everything fall down towards the Earth.

*When you let go of something, it is gravity that pulls it to the ground.*
