

Adventurous Vocabulary

We are broadening our vocabulary by learning 3 new words every week.

Your child does not need to be able to read or write these words. Instead, your child will be learning to use these words in conversation.

3 Words of the Week

Pale: If something is pale, it is light in colour or shade.

The vibrant pink colour turned pale pink after we added water.

Reflect: If you are reflecting on something, you are thinking deeply or carefully about it.

Maggie reflected on her behaviour, thinking about what she could do to move her name back up the ladder.

Scar: If someone has a scar, they have a mark on their skin.

John has a scar on his knee from when he fell off of his bike last year.
