

Adventurous Vocabulary

We are broadening our vocabulary by learning 3 new words every week.

Your child does not need to be able to read or write these words. Instead, your child will be learning to use these words in conversation.

3 Words of the Week

Area: An area is a region or part of a town, a country, or the world.

We visited a beautiful area of Liverpool.

Construct: If you are constructing something, you are building or making it.

I used all of my Lego blocks to construct a toy house.

Select: To select something is to carefully choose it because it is the best or most suitable.

I was selected to take part in the show because I had learnt the dance routines.
