

Reception Class Newsletter

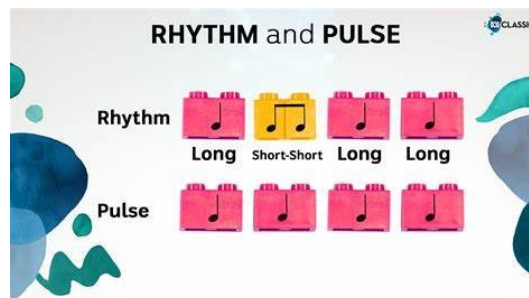

Friday 2nd February 2024

Dear Parents and Guardians,

Our music teacher Mr Lucas would like our parents and carers to know how proud he is of your children. They are making exceptional progress in their music lessons. Mr Lucas has been especially blown away by the talented singers in Reception.

While the autumn term centred around finding our singing voice, this half term has been focused on keeping in time. With this in mind, we have been exploring rhythm and pulse. Rhythm and pulse are the foundations to every song. Pulse is a steady beat like a ticking clock or your heartbeat. It can be measured in time by counting the number of beats per minute. Rhythm is the pattern of long and short sounds as you move through a song.

You can follow your child's musical journey through Mr Lucas's twitter page **#stannestanleymusic**

You can support your child's learning at home through playing musical games such as Musical Statues, Musical Chairs and Pass the Parcel. You can find guided opportunities for singing and dancing through online platforms such as GoNoodle at <https://www.gonoodle.com>

Thank you for your continued support,

Mrs Bell & Miss Murphy
