

Adventurous Vocabulary

We are broadening our vocabulary by learning 3 new words every week.

Your child does not need to be able to read or write these words. Instead, your child will be learning to use these words in conversation.

3 Words of the Week

Tradition: A tradition is a way of doing something that has been done by a group of people such as a family for a long time.

It is a tradition in our house to play board games on Friday nights.

Adapt: To adapt is to change your behaviour so that it is easier to be in a new situation.

When a child moves to a new school, it usually takes them a little while to adapt.

Overlap: If two things overlap, they happen at the same time.

The yoga session overlaps with the dance session so we have to choose whether to attend yoga or dance.
