

# Adventurous Vocabulary

We are broadening our vocabulary by learning 3 new words every week.

Your child does not need to be able to read or write these words. Instead, your child will be learning to use these words in conversation.

# 3 Words of the Week

**Assemble:** To assemble means to gather together for a reason.

*The children assembled in the school hall to celebrate World Book Day.*

**Label:** A piece of material attached to an object which gives information about that object.

*The label on your school jumper or cardigan gives information about how to care for the fabric.*

**Target:** When we play sport, we aim to hit the target with a ball or other object.

*The red team hit the target 9 times. The blue team hit the target 7 times. I wonder which team won.*
