

Adventurous Vocabulary

We are broadening our vocabulary by learning 3 new words every week.

Your child does not need to be able to read or write these words. Instead, your child will be learning to use these words in conversation.

3 Words of the Week

Blossom: If a plant is blossoming, it is making flowers that will turn into fruit.

The apple tree is beginning to blossom.

Bloom: When flowers open their petals, they are blooming.

Spring is the time for blooming flowers.

Flourishing: If something is flourishing, it is growing well.

My vegetable garden is flourishing after the spring rain.
