

Adventurous Vocabulary

We are broadening our vocabulary by learning 3 new words every week.

Your child does not need to be able to read or write these words. Instead, your child will be learning to use these words in conversation.

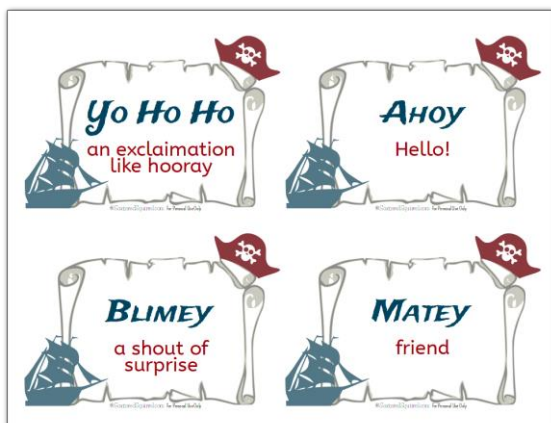

3 Words of the Week

Landlubber: A landlubber is not accustomed to life at sea, they are seen as clumsy by experienced seafaring pirates.

Pillage: To pillage is to steal anything from a captured sea vessel.

Buccaneer: A buccaneer is another word for a pirate, especially one who is daring.

We have had lots of fun talking like pirates in our role play area.

Can you take on the role of a pirate at home?
